High precision steel rule

111-01-01

Double scale steel rule 600/1000

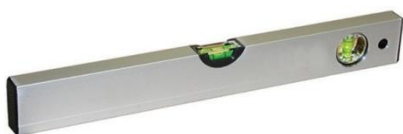

111-01-03

High precision rule

111-01-04

Aluminium level 60/100/120cm

111-02-01

Duraluminium professional level

111-02-02

Electronic angle measuring level

111-02-10

Aluminium magnetic level

111-02-03

Incline level

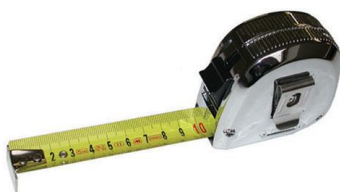

111-02-05

Angle measuring level

111-02-21

Measuring tape 2mt

111-03-01

Measuring tape 5mt

111-03-04

Double scale measuring tape 3mt

111-03-05

Steel measuring tape 30mt

111-03-11

Steel measuring tape 50mt

111-03-13

Special measuring tape

111-03-21

*Plastic folding rule*

111-04-02

*Wooden folding rule*

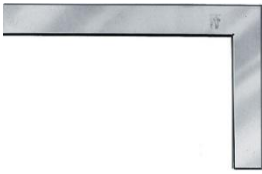

111-04-04

*Aluminium folding rule*

111-04-05

*Steel square 150x100*

111-05-01

*Precision back steel square*

111-05-02

*Multidegrees square*

111-05-11

*Graduated steel square 300/600*

111-05-20

*Graduated steel square 600/900*

111-05-30

*Precision graduated square*

111-05-40

*Stainless steel caliper 150mm*

111-06-01

*Electronic high precision caliper*

111-06-10

*Special electronic caliper*

111-06-12

*High quality divider 200mm*

111-07-11

*Guide-type divider 150mm*

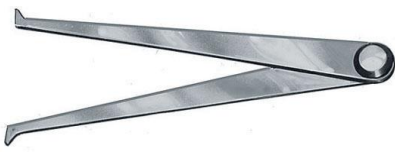

111-07-12

*Spring-type wing divider 150/200*

111-07-04

*Inside caliper 150mm*

111-07-01

*Outside caliper 150mm*

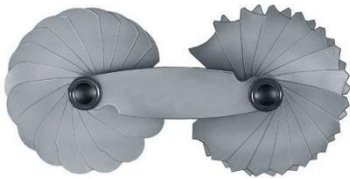

111-07-02

*Outside spring-type caliper 150mm*

111-07-05

*Precision radius gauge 5.5-25.5mm*

111-08-11

*Wire & sheet gauge*

111-08-20

*Graduated steel protractor*

111-09-01

*Universal protractor*

111-09-03

*Feeler gauge*

111-08-41

*Perimeter steel rule*

111-08-30

*External micrometer 0-25mm*

111-10-01

*Electronic micrometer 0/25/50*

111-10-12

*Special micrometer*

111-10-25

*Surface gauge 300/400/500*

111-11-01

*Universal surface gauge 250mm*

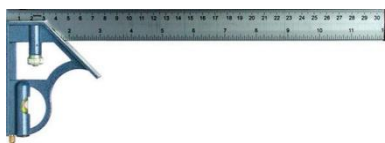

111-11-05

*Electronic surface gauge 500*

111-11-20

Combination square

111-05-51

Combination square set 300mm

111-05-60

Adjustable square

111-05-03

Brass plumb bob 200gr

111-12-01

Steel plumb bob 500gr

111-12-10

Brass plumb bob 100gr

111-12-02

Cast iron surface plate 500x400

111-13-10

Precision V blocks 100/150/200

111-13-01

Precision X blocks 60-150

111-13-22

Limit plug gauge

111-13-71

Setting ring gauge

111-13-49

Limit thread gauge

111-13-75

Mechanical pressure gauge

111-14-01

Precision dial indicator

111-14-11

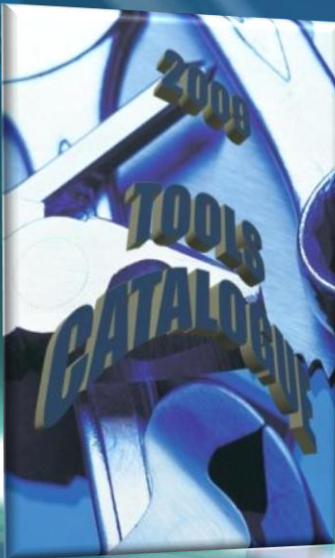

Dial depth gauge

111-14-91
